**Formation of YMCA Clubs in Ten
Torrance Schools Starts This Month**

Torrance YMCA officials announced today that new YMCA Clubs and Tribes for boys and their fathers will be formed in ten Torrance Schools during the

month of February. The extensive expansion program is a result of the rapidly growing need for recreation in outlying neighborhoods of Torrance, and is an effort to build companionship between fathers and sons.

Gra-Y Clubs for boys nine to twelve years of age, and their fathers, will be formed at these schools: Carr, Flavian, Seaside, Madrona, and Hillside. The program includes weekly meetings, camping trips, athletic leagues, training in democratic procedure, and all varieties of boy-fun.

Y-Indian Guide Tribes for boys six to nine, and their fathers, will be formed at these schools: Edison, Casimir, Meadow Park, Arlington, Sepulveda, and Anza. The program revolves around Indian Lore, with Indian crafts, stories, dances, costumes, and tribal meetings. The "Y" Tribes take many trips to the mountains and other places of interest.

Each of the groups emphasize recreation, service projects, worship, and informal education. The local YMCA now has 79 such groups meeting each week. The new program will enable more than 500 new boys to take part in the YMCA program.

Information meetings will be held at each of the schools for interested fathers and sons. The meeting schedule is as follows:

Carr Gra-Y, Monday Feb. 17, 7:00 p.m., in a classroom. Flavian Gra-Y, Tuesday, Feb. 18, 7:00 p.m. in a classroom at school. Seaside Gra-Y, Wednesday, Feb. 19, 7:00 p.m., in a school classroom. Madrona Gra-Y, Monday, Feb. 24, in a school classroom. Hillside Gra-Y, Thursday, Feb. 20, at 2750 Grand Summit Road, Edison Y Guides, Wednesday, Feb. 19, at

**Mary Hospital
Foundation Now
Being Encased**

At a recent luncheon meeting of the Advisory Committee of the Little Company of Mary Hospital, George A. Leverenz, general work superintendent, gave a progress report and stated that the foundations for the new 146-bed hospital are now being laid.

He stated that some 119 caissons have already been drilled and filled with concrete. Each caisson is 35 feet deep and will support the four story hospital. A total of 400 caissons are planned.

Plans call for the completion of the hospital by the spring of 1959. The structure will be located on a 12-acre site on Torrance boulevard just west of Hawthorne Blvd.

Robert I. Plomert, Jr., of General Petroleum Corporation, chairman of the Advisory Committee, presided at the meeting.

Plomert pointed out that originally the hospital was to be 125 beds. But, with the tremendous growth of the area, it was decided to increase the bed capacity.

*"Did you know Johnny helped us
to send him through college?"*

When Johnny was 10, his parents struck on a fine idea. They started a savings account for him; and promised that they would meet and match every dollar he put in. There was paper-route money, lawn mowing money; and later on, 3 months' summer salary through high school years. With each dollar being matched and with earnings on his savings over the years, Johnny wound up with much of his college education paid for.
